Kridhan Infra has evolved into a leading EPC company in Singapore through the acquisition of Swee Hong Limited. The company has a strong foothold in the geotechnical and foundation engineering space and is the 2nd largest foundation engineering player in that country. The Company has the prestigious L6 Certification which enables them to tender for unlimited value projects for piling work.

About Kridhan Infra Limited

Kridhan Infra Limited is an ISO 9001:2008 certified infrastructure solutions company. Established in 2006 with headquarters in Mumbai, Kridhan Infra is one of the pioneers in introducing the concept of ready to use steel for the construction industry in the country. Eyeing the changing market dynamics and a thrust on international businesses resulted in Kridhan Infra Limited expanding its wings to Singapore, Myanmar, Malaysia, and other South East Asian countries. To enhance its global presence, Kridhan Infra acquired KH Foges, Singapore -the second largest foundation engineering company in Singapore and Swee Hong Ltd. – a 50 year old civil construction company in Singapore with several iconic Singapore developments to its credit. The new structure and the companies under the aegis of Kridhan Infra Limited cater to multiple businesses that serve the different needs of the infrastructure industry.
