**Kridhan Infra Limited's  
Singapore Subsidiary KH Foges Wins Orders  
Worth INR 187 crores**

**Mumbai, 14 February 2019:** Kridhan Infra Limited (“KIL” or the “Company”) is pleased to announce that its Singapore based 100% subsidiary KH Foges Pte. Ltd. (“KH Foges”) has been awarded a new order in Singapore worth S\$ 36 Million (INR 187 Crores).

KH Foges has been contracted to execute Piling Works & Earthworks for a Sports & Recreation Centre For a Proposed 6-Storey Sports Centre Comprising Punggol Drive and is to be executed over a period of 6-7 months.

With this new project wins, the total order book for KH Foges has climbed to above S\$[90] million. The company is now the 2<sup>nd</sup> largest foundation engineering company in Singapore, possessing the prestigious L6 certification, which enables them to bid for unlimited value projects for piling work. KH Foges is a 100% subsidiary of KIL.

## **About Kridhan Infra**

Established in 2006 with headquarters in Mumbai, Kridhan Infra is one of the pioneers in introducing the concept of ready-to-use steel for the construction industry in India. Within a short span of time, KIL expanded its business to Singapore, Myanmar, Malaysia, and other South East Asian countries. The company acquired KH Foges in 2012, the then ninth largest foundation engineering company in Singapore. Using its strong technical acumen in the piling segment, KH Foges is now Singapore's second largest foundation engineering company. KIL entered the EPC space with the acquisition of Swee Hong Ltd. – a 50 year old civil construction company in Singapore with several iconic buildings and businesses to its credit. KIL strengthened its India business with the recent acquisition of Vijay Nirman Company. VNC is critically acclaimed as the leading bridgemaker in India with over 30 years of operations. The company has completed over 400 projects and has an exceptional reputation in civil engineering design and project management. Apart from EPC projects within the roads and bridges segment, affordable housing is a major growth driver for the company and the segment contributes to over 50% of VNC's orderbook. The company aims to capture a larger share of the mass affordable housing market in Andhra Pradesh using its expertise in Shear Wall Technology.
